

We would like to say "Thank You" to all our friends who attended our annual banquet dinner on October 23, 2004. We also would like to thank the Governor General of Jamaica, His Excellency, Sir Howard Cooke for his wonderful message. It was truly uplifting and encouraged us to continue to do the work we do. We had just under three hundred guests in attendance and all had a great time. The food was delicious and the entertainment ...divine. All in all, we were able to raise enough funds that will carry us thru another three mission trips. Thank you for making it a great success.
