

## RELEASE OF LIABILITY FORM

Travel to a foreign country has its own innate problems and complications. There is always a danger of theft, loss of property and life by various means and even medical problems. The above agencies have put together medical missions to Jamaica/St. Vincent/Belize for several years without much in the way of incident. This good history notwithstanding, an untoward event can occur at any time on any trip. The above-mentioned agencies and groups as well as the organizers cannot be held liable for any loss.

I \_\_\_\_\_ acknowledge the above liabilities and am going on this trip in good faith. I do not hold Caribbean American Educational Organization (CAMEO Missions) liable for any mishap that may occur.
